Work experience

Dates **February 2011 – present**

Occupation or position held Research fellow + data miner and manager

Main activities and responsibilities Citalia is the Research Institute of the National Association of Italian Municipalities (ANCI) and provides studies concerning several social areas of research.
For the whole Institute, I am in charge of data collection, data mining and data manager processes, using open data, secondary data (from data providers such as the National Statistics Office, Government departments and European agencies) as well as planning original surveys.
As a member of the Welfare & Immigration research team, I am in charge of statistical and demographic analyses as well as data mapping and visualization.
My research interests cover immigration (i.e. social integration of immigrants' second generations, economic integration of immigrants, social integration of refugees and asylum seekers, social integration of unaccompanied minors, and lately Roma people in Italy), female empowerment in Italy, urban security and planning (i.e. metropolitan areas, smart cities), and social policy evaluation.

www.citalia.it

Type of business or sector Socio-demographic research

Dates **October 2010 – February 2011**

Occupation or position held Support to university teaching

Main activities and responsibilities Seminars concerning convergence models, exercises and training management, students' tutor for Economic Demography course.

Type of business or sector Teaching

Education and training

Dates **September 2009 – August 2010**

(**) International English Language Testing System (IELTS), academic module. Passed exam at the "British Council" test centre of Rome, final result 6,5, 16 December 2010.

- Demographic skills Over my studies I addressed:
- theories and consequences of demographic behaviours;
 - factor and cluster analysis;
 - survival analysis;
 - spatial analysis;
 - multilevel analysis;
 - projection techniques.

- Communication skills
- presenting: employing a logical order and structure in presentations and papers; using visual aids effectively; being clear and concise; encourage questions;
 - listening;
 - analysis: distinguishing relevant from irrelevant information; identifying issues and problems.
- Social skills and competences
- teamwork;
 - leadership;
 - human resources management.
- Project management skills
- problem-solving;
 - capacity for hard work;
 - initiative;
 - self-motivation;
 - self-discipline;
 - independence;
 - time management;
 - coping with deadlines;
 - financial management of projects.
- Computer skills and competences
- ECDL licence (European Computer Driving Licence) 2004, advanced level: text elaboration, electronic sheet, presentation, networks and database.
 - Advanced knowledge of Office™ package: Word™, Excel™, PowerPoint™, Access™.
 - Good knowledge of statistical software: SPSS™, SPAD™, MatLab™, Populus, MLwiN™.
 - Advanced knowledge of statistical software: STATA™, R.
 - Good knowledge of geographical software: MapInfo™, Grass, GeoDa.
 - Good knowledge of TeX language (LaTeX and Beamer).
 - Good knowledge of MacOS™ operative system.
 - Good knowledge of Linux operative system.
- Driving licence
- Italian driving licence, type B (car).
